

TRC-ACHMM Meeting Reminder

For All EH&S Professionals and Other Interested Parties:

Topic: **Demonstration of New EH&S Sampling and Testing Equipment – Use, Limitations, and Technology**

Date: **Wednesday, Nov. 14th**

Time: **Social: 5:30 to 6:00 PM**
 Presentation: 6:00 to 7:00 PM

Location: **The Regional Learning Alliance, Cranberry Twp.**

Join the Three Rivers Chapter of the Academy of Certified Hazardous Materials Managers ("TRC-ACHMM") at our November Membership meeting.

On Wednesday, immediately following conclusion of lectures for the CHMM National Overview Course, we will adjourn to a neighboring room for Hors d'oeuvres and beverages until 6:00 PM, at which time we will hear representatives of Field Environmental Instruments, Inc. give a presentation regarding EH&S sampling and testing equipment.

The presentation will include a discussion regarding several types of newer and frequently used EH&S monitoring and testing equipment. The science, technology, use and limitations of the equipment will be presented. Our speaker will have equipment on-hand for participants to see and touch. He will also discuss common mistakes or errors made when using certain types of equipment.

The presentation will be held at the Regional Learning Alliance in Cranberry Woods on the second floor. For directions, call the RLA at 724-741-1000 or visit them on the web at: <http://www.regionallearningalliance.com>

All CHMM National Overview Course registrants are invited. We encourage all CHMMs from the region, and anyone interested in becoming a CHMM, to come out and meet the 2006 class.

We sincerely hope to see our friends from other organizations such as AIHA, ASSE, Pittsburgh PG Society, A&WMA and other environmental professional organizations in attendance.

RSVP by November 09. Late RSVPs will be accepted pending availability.
Cost is \$15 per Member, \$20 for Non-Members.

To RSVP, simply go online at www.TR-ACHMM.org and go to the Events Page and click on the November 14th Meeting.
